BAIC

Better And Ingenious Choice

D20

- World-class standards ensure driving pleasure
- Distinctive design adds to exciting ownership experience
- Leading technology enhances safety and comfort

HAPPINESS IS A FAMILY AFFAIR

The family is the foundation of happiness. Whatever you may experience in life, you can be sure that your family will always be there for you. Children are only too happy when their parents take them on journeys to share, explore and experience new and exciting things. Then, when they grow up, they will be able to share that excitement with their own children. Actually, there is nothing more enjoyable in life than sharing happy moments with your family, and many pleasant memories are made when traveling far and wide. So, get behind the wheel and create happiness for the whole family.

Integrated technology for a pleasant driving experience
The perfect integration of Smart ForFour chassis technology, as well as modified and updated technology based on SAAB and MIRA tuning, ensure a pleasant, enjoyable journey.

SUPERB QUALITY IS ENSURED BY CONSTANT IMPROVEMENTS

The quality of the BAIC D20 is constantly being updated thanks to our world-class manufacturing processes, coupled to Smart Forfour chassis technology and MIRA tuning. This ensures a comfortable and enjoyable driving experience.

Highest J.D. Power ranking for a compact car in 2014 China Initial Quality Study

Modifications to 23 small parts reduced noise by 50B

Advanced technology and manufacture
World-class standards ensure that every D20 is manufactured to exactly the same superb quality levels

**WORLD-CLASS STANDARDS
ENSURE A HAPPY OWNERSHIP**

DISTINCTIVE DESIGN ADDS TO EXCITING OWNERSHIP EXPERIENCE

The choice of quality materials give a feeling of luxury to the interior

A FASHION LEADER

The D20 boasts an alluring design concept, echoing the agility of birds and the elegance of butterflies. This has been incorporated into every aspect of this stylish car. The exquisite, deceptively simple interior design creates a pleasant, welcoming and relaxing atmosphere.

The easy-to-read instrument panel, with its IKEA-like design, enhances driving pleasure

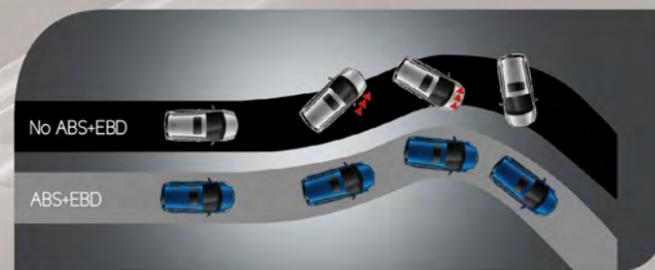

The golf-club like gear lever ensures smooth and easy gear shifts

Uncomplicated, simple-to-operate controls make life easy

LEADING-EDGE TECHNOLOGY ENHANCES SAFETY AND COMFORT

Comprehensive smart protection
BOSCH 9.0 ABS+EBD system

TECHNOLOGY WITH YOUR SAFETY AND COMFORT IN MIND

The D20 boasts numerous features to ensure your comfort and safety: electrically operated windows and heated and foldable side mirrors; a safety-cage body construction with core technology; a high-end BOSCH ABS+EBD system; and numerous safety bags.

Clever and practical technology
Electrically adjustable, heatable and foldable side mirrors

Comprehensive protection for peace of mind
Safety-cage body construction, laser welding and integrated stamped doors ensure exceptional protection

Protection on all sides
To enhance safety even further, the D20 features two front airbags, and side and curtain airbags
